Please replace FIGS. 1 through 6 with the attached formal replacement sheets therefor.

Attachment: Replacement Sheets

REMARKS

Please replace the specification of record with the attached Substitute Specification ("Clean Version Substitute Specification".) For the Examiner's convenience, applicants are also enclosing herewith a marked copy of the Substitute Specification labeled "Marked Copy Substitute Specification," which shows all the changes made to the original application. In addition, applicants have cancelled the prior claims of record, replacing them with new claims 33-48. Applicants have also included the new claims in the substitute specification.

A 5-month extension of the time to respond, up to and including October 9, 2007 is filed concurrently herewith.

Applicants have also submitted herewith a new set of formal drawings in the accompanying replacement sheets. The drawings were amended to correct typos. For convenience of the Examiner, annotated copies of the original drawings are also included.

Applicants respectfully submit that no new matter is included in these amendments.

As it is believed that all of the rejections set forth in the Official Action have been fully met, favorable reconsideration and allowance are earnestly solicited. If, however, for any reason the Examiner does not believe that such action can be taken at this time, it is respectfully requested that he/she telephone applicants' attorney at (908) 654-5000 in order to overcome any additional objections which he might have.

If there are any additional charges in connection with this requested amendment, the Examiner is authorized to charge Deposit Account No. 12-1095 therefor.

Dated: October 9, 2007

Respectfully submitted,
